

Glass Top Loading Washing Machine

Glass top loading washing machine adopt hurricane current, double clean, Strong decontamination. The surf waterfall current combines with the universal three-dimensional flow generated by Hurricane wave wheel, which has faster speed and shorter operation cycle, so as to achieve strong removal of clothing dirt and higher cleaning ratio.

Product Description

China Glass Top Loading Washing Machine Manufacturers and Suppliers Called cnsandie with Cheap Price

Glass top loading washing machine adopt hurricane current, double clean, Strong decontamination. The surf waterfall current combines with the universal three-dimensional flow generated by Hurricane wave wheel, which has faster speed and shorter operation cycle, so as to achieve strong removal of clothing dirt and higher cleaning ratio. Spray rinse, clean and no residue. Glass top loading washing machine's sprinkler barrel has special sprinkling water holes, flushing clothes on the side of the water and rushing out of the foam in the fiber. The clothes are clean and no residual current.

With all the "Client-Oriented" business enterprise philosophy, a rigorous quality regulate procedure, sophisticated production gear as well as a sturdy R&D team, we constantly give superior quality products and solutions, outstanding providers and competitive prices for High Quality for China Glass Top Loading Washing Machine, Since the manufacturing unit founded, we have now committed into the progress of new goods. Along with the social and economic pace, we'll continue to carry forward the spirit of "high excellent, efficiency, innovation, integrity", and stay with the operating principle of "credit initially, customer 1st, good quality excellent". We'll produce a excellent foreseeable future in hair output with our companions.

High Quality for China Auto Mini Washing Machine and Portable Washing Machine price, Our company regards "reasonable prices, high quality, efficient production time and good after-sales service" as our tenet. We hope to cooperate with more customers for mutual development and benefits in future. Welcome to contact us.

Moedel:	XPB85-2008S(85FS)
Wash Capacity:	8.0Kg
Spin Capacity:	4.5 Kg
Wash Power:	400 W
Spin Power:	200 W
Voltage:	110V/60Hz ~ 220V/50Hz
Product Size:	760*450*850mm
Packing Size:	780*480*870mm
N.W./G.W.:	19.5/24.0 KG
MOQ/40HQ Container:	208 PCS

Product Features

1. Glass top loading washing machine adopt hurricane current, double clean, Strong decontamination. The surf waterfall current combines with the universal three-dimensional flow generated by Hurricane wave wheel, which has faster speed and shorter operation cycle, so as to achieve strong removal of clothing dirt and higher cleaning ratio

2. Spray rinse, clean and no residue. Glass top loading washing machine's sprinkler barrel has special sprinkling water holes, flushing clothes on the side of the water and rushing out of the foam in the fiber. The clothes are clean and no residual current.

3. Big clothes are easy to wash. The powerful washing function is designed. Equipped with a new powerful washing timer, the turn to stop ratio is higher, and the washing power is stronger. Even though it is difficult to wash large clothes, it can be easily turned over for washing.

4. Glass top loading washing machine use water and electricity separation technology makes laundry more comfortable. The operation of water and electricity separation is safer. The washing timer and dehydration timer are not afraid of water and electricity leakage. The practical anti leakage protection can prevent washing water from contacting with electrical components to prevent electric leakage.

5. Glass top loading washing machine adopt wide voltage, not afraid of voltage fluctuation. More adaptable to voltage, designed for rural areas and areas with low power supply quality.

6. Strict control, economical and durable. Meet the requirements of special climate and environment, sand and mud, erosion, more solid, more practical

FAQ

<p>1. Are you a trading company or factory? Yes,we are manufacturer,our factory is located in Ningbo,Zhejiang. Welcome to visit our showroom,office and workshop.</p>
<p>2. What is your guarantee? We provide 1% free spare of order amountquantity along with the container.</p>
<p>3. What is your MOQ? 1*40HQ container.</p>
<p>4. What is your payment method? *T/T(30% deposit,70% balance before shipment) *L/C: 100% irrevocable L/C at sight</p>
<p>5. What is your Trade Terms? Full container,FOB Ningbo.</p>
<p>6. Can you make our brand? OEM is available.</p>
<p>7. Do you provide sample?</p>

Yes, we do.

8. Can you provide CKD/SKD of your products?

Yes, we can.

9. Which certificate do you have?

CE CB ROHS CCC ISO9001

10. How long is your delivery time?

20-35 days.
